

PRESS RELEASE

Attention City of Aliquippa Residents:

In compliance with Ordinance 1 of 2015, please separate leaves, garden residue, shrubbery, tree trimmings, similar material but not grass clippings from your regular trash to be composted. The City has provided a off bin located behind the Suntex Station on Kennedy Blvd. which is available for public use. If you have garden residue that you would like our Street Department to pick up for you, please do not put in bags, please place it by the curb where your garbage is picked up and the Street Dept. will pick it up opposite recycling weeks. You can also contact our City Office for pick up at 724-375-5188. Thank you in advance for your cooperation.
