

Homeboys Foundation

"Champions for Success"

May 26, 2014

Dear Valued Sponsor,

The Homeboys Foundation is excited to announce that we are hosting our 10th Annual Homeboys Football Camp this year (10 Years Strong). We are inviting you to join the ranks of other local sponsors, businesses & corporate sponsors like Frito Lay and Gatorade in supporting our efforts to provide this needed program and support to youth in your local community.

This year's camp will be held at **Central Valley High School, Tues - Thurs July 15-17, 2014**. As always, the camp is **Free of Charge** and runs daily from **9am to 3pm**. This is a non-contact camp for youth ages 7 to 17 which teaches basic knowledge and skilled techniques for all football positions while incorporating our "Champions for Success" program.

We would like to make our 10th Anniversary Camp one to remember as a way to celebrate the youth for their continued participation and our community for their unwavering support. **Our fundraising goal for this year is \$15,000. We are targeting 300 kids** (est. cost per kid, per day is approx \$20) **in the Beaver County Community as participants in our program. They will receive a free lunch provided daily, camp T-shirt, invaluable football instruction from NFL, Collegiate & HS coaching Professionals, "Champions for Success" program instruction, camp awards and recognition, and more.** It is our endeavor to become fully funded to continue offering this program at no cost to youth. We are politely soliciting your support in underwriting the cost of this camp. Whether you choose to purchase T-Shirts or Hats, provide in kind services, or make a monetary donation, any assistance you give puts us one step closer to our goal. Your donations and contributions are appreciated and, of course, **tax deductible**.

If you have any questions or need additional information that you may require in order to make an affirmative decision, please visit www.homeboysfoundation.net or contact me at 724-601-8179 or email the foundation at homeboysfoundation@yahoo.com
