## FINAL NOTICE FOR ALL DELINQUENT GARBAGE

November 19, 2018

Dear Property Owner:

As of January 2019, The Municipal Water Authority of Aliquippa will be taking over the garbage billing and collections for the City of Aliquippa. **ALL** delinquent balances will either be turned over to collections, the District Magistrate, or a lien will be filed against your property. The Municipal Water Authority will have the right to shut off water if garbage bills are not paid in time.

In order to avoid further collection proceedings, full payment of your delinquent balance **MUST** be paid by December 28, 2018. Please consider this your final notice before the water authority begins collections.

Sincerely,

THE CITY OF ALIQUIPPA
