Coaches & Mentors

Perhaps the most important component of ACT_SO is the Enrichment Program which will:

1. Prepare participating students for the Regional Competition that occurs annually during the month of March or April;
 2. Prepare students for the National Finals in July;
 3. Expose students to cultural experiences that will raise their horizons and enrich their lives.
- A volunteer coach or mentor may be assigned one student or one group of students whom they will:

1. Assist in preparing for a particular competitive category
2. Assist with the personal elements of auditioning such as decorum, dress, stage presence and projection
3. Expose to cultural experiences outside of their home and school environments.

Beaver County NAACP ACT_SO Program

It takes a Village and.....

There are many ways that you can get involved and volunteer to support ACT-SO such as: Coach, Mentor, Judge, Sponsor, and Competition Room Facilitators.

WE NEED YOU!

Competition Judge

1. Each judge must have at least a baccalaureate degree in the category he or she is judging (an advanced degree is preferred – especially in science). If not decreed, the individual should be employed as a professional in the category field. Junior College or College Professors often make good judges.

They are familiar with the level of work a high school student should produce. Professional Architects, Engineers, Journalists, Actors, Painters, Gallery Owners, Newspaper Publishers, etc. are good candidates for judges.

2. Each category must have a minimum of three (3) qualified judges.

3. Judges must not have any contact with or be any relation to students who may be competing in the category they are judging. (This eliminates participants' high school teachers and local ACT-SO coaches/mentors from serving as judges. The integrity of the

competition is compromised when high school, middle and elementary school teachers serve as judges for students they may have taught or mentored.)

4. Judges must be available for the entire judging period/process.

5. Judges who have judged a local competition may judge on the National level, but not in the same category as a student they may have already judged at a local competition.

FINANCIAL SPONSORSHIP

ACT-SO is a NAACP program that receives state-wide and local support from the generosity of people like you who value our collective (volunteer) work. You may donate either as an individual or as an affiliate with schools, community organizations, churches, foundations, and/or private corporations.

ACT-SO will use your donations exclusively to underwrite youth programs including paying the expenses needed to take participating students to the national competition. All of our staffers are strictly volunteers which ensure that every last dollar goes toward hard costs.
