

NEW FULLY AUTOMATED COLLECTION COMING SOON!

Dear City of Aliquippa Resident,

Automated collection is cleaner, more efficient for your community, and safer for our drivers. Proper cart placement is essential to ensure the truck's automatic-lift arms can service your carts. Please see below for proper cart placement and the back side of this postcard for important information about your bulk item pickup.

PROPER CART PLACEMENT FOR AUTOMATED COLLECTION

Please place your cart at the curb at least 3 feet from all objects, including your mailbox, car or trees.

Place wheels of cart toward house.

Keep space between carts and other objects.

Bag and tie trash inside your trash cart. **Materials outside the cart will not be collected** unless it is your bulk item during your bulk collection week.

Have your carts at the curb in front of your home the night before or no later than 6 a.m. on your collection day.

Automated Collection Information

Carts will be delivered to residents homes beginning March 15 - March 26. Residents should start using their carts on their scheduled collection day beginning April 4.
