ALUMNI SPOTLIGHT

OUR ALUMNI WOULD LOVE YOUR SUPPORT!

On April 26, 2023 a new ministry began with the purpose of building relationships.

Coffee and Conversation helps folks recovering from addiction to build new positive relationships, which are so vital to their long term recovery. Making the choice to be sober and living a life of recovery can be a challenge. Coffee and Conversation provides a new supportive community which is there for them, showing concern throughout their journey.

Meetings are held weekly with resources that can help them once they are discharged from the facility. Our goal is to be a source of support, to be a safe place, and a familiar face for them once discharged. Our thought was: "What's a better way to build relationships than over a cup of coffee".

Every Wednesday meetings are held at Gateway Rehabilitation Center (Main Campus) and on Friday's we go to Gateway's Women's House also known as R.E.S.T (Residential Extended Stay Treatment) for Women

If you would like to help support this ministry please reach out to Tyanne Young at 724-494-0925 or email via email ucgspecialevents@gmail.com
