

PLEASE BE PATIENT *Awareness Window Decal*

The PLEASE BE PATIENT Awareness Window Decal is a collaborative effort between Beaver County Behavioral Health, first responders, and individuals/families to develop a decal for homes or vehicles for awareness in the event of interaction with Police, Fire, or Emergency Services.

The decal was created to provide awareness that someone in the home or vehicle requires additional care, they may not respond as expected, may have a communication barrier or other special needs to alert first responders that patience is required.

This Beaver County effort aligns with the PA Yellow Dot Safety Program, and will be distributed throughout the county.

The decal should be placed on the lower right side of a vehicle's back window and/or the front door of a residence.

The decals are available at the Beaver County Behavioral Health office or check with your local police department for availability.
