

The Aliquippa Planning Board reviews land development proposals, lot consolidations, and subdivision plans to ensure they align with city codes before making final recommendations or deliberations.

Core Responsibilities

- **Plan Review:** Evaluate applications for lot consolidations, new housing developments, and commercial or municipal projects.
- **Public Hearings:** Hold open meetings and public sessions where interested community members can voice opinions on proposed local developments.
- **Advisory Deliberations:** Review project submissions against local regulations and make determinations or recommendations to city leadership.

If you are a resident of The City of Aliquippa and would like to serve on the Aliquippa Planning Board, please submit a letter of interest and resume either in person or via email to: Samuel.Gill@aliquippapa.gov
